Safe Greek Subs 1080p Resolution
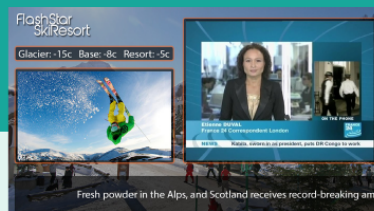

AvediaPlayer Receiver r9210-mp

The AvediaPlayer r9210-mp is a versatile stand-alone receiver for connecting any TV or AV display device to your IP Network. In addition to the standard r9210 this version adds internal storage and a pre-installed Cilutions DMB Media Player for digital signage.

- Receives and decodes IPTV streams
- Analog Video and Audio Outputs
- Displays up to 1080p resolution for excellent image quality
- Steel enclosure makes this receiver solid and robust
- Power over Ethernet (PoE) simplifies installation and saves on the cost of cabling and power points
- Digital Signage screens combining live TV, video, graphics, text and RSS/Twitter feeds
- Content protection via HDCPv2 or SecureMedia

Technical Specifications
